

Campey Turf Care Systems – Product Specialist

Due to the impending retirement of a member of our sales team, we are looking to appoint a Product Specialist for South and West Yorkshire and East Midlands.

Campey Turf Care Systems are one of the largest independent turf care machinery suppliers. Over the years we have earned a reputation for offering practical advice and superb aftercare service. We act as a new equipment dealer for some of the most respected turf care machinery manufacturers including Dakota, Imants, Koro, Raycam, Vredo, Votex and Air 2G2. We also have a thriving used machinery business and a subsidiary company, Tines Direct, which supplies replacement tines, blades and replacement parts for a wide range of turf care machinery

The successful candidate will have a sales background knowledge with excellent negotiation skills in selling to dealers and end users, within the sports turf maintenance sector. The role will require candidates to take on everything from primary communication through to demonstrations, quotations, and sales and account management.

You will be a self-motivated individual with an energetic approach who enjoys working as part of a team. Good oral and written communication skills are essential and, to be able to create and maintain strong working relationships at all levels including good time management, presentation and reporting skills. The ability to demonstrate tractors and sports turf maintenance is an essential element to the job, and product training will be given on our products.

Frequent travel, overnight stays and attendance at trade shows/exhibitions is a necessary part of the job. A full remuneration and benefits package including a company vehicle and pension scheme.

To apply for the position please send a letter and CV by 23rd October 2015 to; Julia Campey, Campey Turf Care Systems, Marton Hall Lane, Marton, Macclesfield, Cheshire, SK11 9HG or email; julia.campey@campeyturfcare.com
