

CAMPEY™

## Triple V Brush

The CAMPEY™ Triple V Brush is a tractor mounted implement for brushing in topdressing removing worm cast, standing up grass prior to mowing and general presentation on natural turf. The Campey™ V Brush is also suitable for use on sand-filled and 3G synthetic pitches for taking out scuffs and footprints, re-distributing infill and promoting a vertical sward. The reversible mounting frame enables the V Brush to be mounted on the rear or front linkage on tractors of 18hp and above. Individual brush sections can easily be replaced when worn.
