

OMARV

Venezia

This top of the range trailed flail mower / collector is designed for use behind tractors in the 55 - 90hp range. It is extremely heavy-duty and suitable for grass mowing and thick brush cutting. While suited to sports field and golf course use, it has wider use in amenity grassland maintenance and heathland management. Features include electro-hydraulic cutting height adjustment and automatic belt tensioner. Unloading can be carried out directly into trailers or lorries for disposal with the hi-tip facility, and the draw-bar can be offset by 40cm to allow close mowing to walls & perimeter hedges, etc.

Specification	140	190	225
Working width	1.40m	1.90m	2.25m
Overall width	1.80m	2.40m	2.40m
Hopper capacity	350m ³	750m ³	850m ³
