

# OMARV

The award winning Omarv range of professional flail mowers and collectors.

Available exclusively from Campey Turf Care Systems

**OMARV**

## **Alba**

The Omarv Alba range is the smallest of the mounted flail mowers, designed for use behind compact tractors in the 25 - 55hp range. The mowers are heavy-duty, the hopper has slightly more capacity & a hi-tip hydraulic discharge option is available. There are three model width options, all fitted with cutting blades. Suitable for golf courses, sports fields and general amenity use.

OMARV

## Venezia

This top of the range trailed flail mower / collector is designed for use behind tractors in the 55 - 90hp range. It is extremely heavy-duty and suitable for grass mowing and thick brush cutting. While suited to sports field and golf course use, it has wider use in amenity grassland maintenance and heathland management. Features include electro-hydraulic cutting height adjustment and automatic belt tensioner. Unloading can be carried out directly into trailers or lorries for disposal with the hi-tip facility, and the draw-bar can be offset by 40cm to allow close mowing to walls & perimeter hedges, etc.
