CLASSEN PRO

Classen Turf Cutter

PRO HSC18 Hydro-Drive

Maximize productivity for any application big or small with the PRO HSC18 Turf Cutter. Whether you are repositioning or relocating turf or expanding landscaping areas, the hydrostatic drive delivers high productivity with smooth power in both forward and reverse while providing the industry's fastest transport speed.

- Powered forward and reverse with industry-best 4.7 mph transport speed
- Integrated throttle/clutch control on handle results in simple operation; releasing the handle puts the machine into idle
- Advanced vibration dampening systems provides enhanced operator comfort even with extended run times
- Integrated rear swivel wheel provides turning ease and locks in place for straight-line cutting
- Knobby tread drive wheels grip the turf better and reduce dirt buildup
- 18" blade standard. Optional blade assemblies include 12", 16", 20" or 24"
